**Abstract** – *Abstracts should not more than 200 words and written in English. The abstract should not only indicate the subject and scope of the paper but also summarize the principal results and major conclusion along with at least three (04) keywords that could be useful for information - retrieval purposes. References should be avoided, but if essential, they must be cited in full, without reference to the reference list. Also, non-standard or uncommon abbreviations should be avoided, but if essential they must be defined at their first mention in the abstract itself.*

**Keywords:** words which are representative for the paper. Insert here 4 to 6 keywords.
